Ómra Support Agency on behalf of Monaghan Integrated Development, Clones Family Resource Centre and Tusla are carrying out a needs analysis of Clones and it's hinterland. The purpose of this is to clearly identify and map the issues and needs within the Clones area and the changes and trends affecting it in recent years. It is hoped that, arising out of this exercise, further resources and supports can be sought for Clones and that more effective ways of working together and finding solutions to the issues can be found. Two workshops are being organised – the first is on Thursday 16th November from 11.00am until 1.00pm and the second is on Thursday 23rd November from 7.00pm until 9.00pm. Both are in the Creighton Hotel.

Roslea Comhaltas is holding a singing & storytelling session on Saturday 18th November at 8.00pm in Derrygannon Hall. All Welcome.
