Catholic Schools Week 2024 – Communities of Service

Catholic Schools begins this weekend and continues until **Sat 27th January** on the theme of Catholic Schools as Communities of Service. In Catholic schools, as we study and look to Jesus Christ as our role model and teacher, we come to a greater understanding of the depth of Christian service. Jesus served every person regardless of creed, background, faith, social status, or age. For Catholic Schools Week, we will contemplate our schools as communities of service – friends, school, family, locality, and faith.
