HEALTHY PLANET, HEALTHY PEOPLE – THE CATHOLIC PETITION:

We have an opportunity like no other. In November, at the 26th UN Climate Change Conference (COP26), countries will announce their plans to meet the goals of the Paris Agreement. Ahead of that, it is our responsibility as Catholics to lift up the voices of the most vulnerable and advocate on their behalf. We must act now. Sign the petition! Clones Parish Altar Society is seeking new recruits. We need people who are willing to keep the church clean and decorated with flowers. No experience in floristry is necessary as the parish would like to provide an evening's training in basic flower arranging techniques for those who volunteer. If you are interested, please let us know by: private messaging our Facebook page, phoning the parish office on 04751048 or emailing info@clonesparish.ie

Bereavement Counselling. Grief is a natural process of reaction and adjustment to loss and change. When we lose someone or something that is important to us, we grieve. Each individual grieves differently and this is a natural process. If you would like support at this time call Angela at Clones Family Resource Centre on 047 52919 or 086 1785710. All counsellors are professionally qualified and experienced.

World Mission Sunday

Over one billion Catholics all over the world observe today as the 95th *World Mission Sunday*. Pope Pius XI instituted this annual observance in 1926. Every year since then, the universal Church has dedicated the month of October to reflection on, and prayer for, the missions. On World Mission Sunday, Catholics gather to celebrate the Eucharist and to contribute to a collection for the work of evangelization around the world. Of the 3000 dioceses in the world, about 1000 are missionary dioceses—they need assistance from more established dioceses to build catechetical programs, seminaries, Religious Communities, chapels, churches, orphanages, and schools. This annual celebration gives us a chance to reflect on the importance of mission work for the life of the Church. It reminds us that we are one with the Church around the world and that we are all committed to carrying on the mission of Christ, however different our situations may be. The greatest missionary challenge that we face at home is a secular and consumerist culture in which God is not important, moral values are relative, and institutional religions are deemed unnecessary.
