Feast of Jesus Christ, King of the Universe (Christ the King) – 100th Anniversary
 Today, the last Sunday of the Church's Liturgical Year is marked as the Feast of Christ the King. This year marks the 100th anniversary of this feast which Pope Pius XI first proclaimed towards the end of the Holy or Jubilee Year 1925. As with all of the liturgical seasons and feasts, Christ is at the heart of our prayer and our devotion. Christ, the crucified King, whose throne is both on the Cross and in every human heart has won for us a place in eternal life by reconciling all things to himself. In his own words, his kingdom is not of this world. Rather, it is rooted in faith, in love, justice and peace. May we never forget that by our baptism we are royal people sharing in the kingdom of Christ – all of us as priests, prophets and kings.
